RISE & RELEASE FOUNDATIONS

Visit the [Rise & Release Foundations area](#) for a reminder of what you can expect inside the membership, where to get started, how to use our community, and where to find the trainings and resources you need.

RISE & RELEASE SUCCESS PATH

The Rise & Release Success Path and Rise & Release Markers will keep you on track and moving forward with your music.

Complete the [phase assessment](#) in your members area to find out which phase you're in, and get access to a curated playlist for your specific phase. To move to the next phase, you can retake the phase assessment at any time. You can view all of the content inside Rise & Release at any time, regardless of what phase you're in, by using the menu option and selecting the type of content you wish to view.

RISE & RELEASE FACEBOOK GROUP

In the [Guides section](#) of the Facebook group, you will find a Start Here section designed to familiarise you with the Facebook group. Refer back to the Guides section of the Facebook group often, as it's like the filing system that organizes and contains all the Rise & Release Facebook Community content and resources.

Check in with the [Announcements section](#) of the Facebook group frequently, as Team FDIYM will pin new announcements, events, or any latest updates here.

Master Your Rise & Release Content in Your Members Area

Your [Rise & Release Members Area](#) is the most exclusive and robust library of it's kind, packed with resources, templates and trainings to support your artistry, with curated content for exactly what you need based on your music priorities at any given moment.

RISE & RELEASE CONTENT LIBRARY

Inside of Rise & Release, we release one new piece of content every Wednesday. Each month, you will receive:

WEEK 1

A Live Workshop with Isobel. This training takes place inside the Rise & Release Facebook group and the recording is added to your Rise & Release members area.

WEEK 2

Template accessible inside your Rise & Release members area.

WEEK 3

Live Q&A with Isobel taking place inside the Rise & Release Facebook group and the recording is added to your Rise & Release members area. You can [submit your questions here](#) anytime.

WEEK 4

A motivational challenge during the 4th week of every month inside the Facebook group giving you accountability to take action on the trainings and tools we've shared during the month.

Master Your Rise & Release Content in Your Members Area

SEARCHIE SEARCH FEATURE

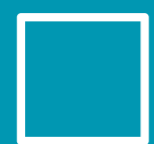

Use the Searchie search function in your members area to search your Rise & Release content for a specific keyword or topic. This will provide you with a list of resources, and even show you the exact point in any video where Isobel mentions the topic or keyword.

PODCAST SUPPORT

Grab your headphones and get ready to dive into a perfectly curated playlist of Girls Twiddling Knobs episodes [housed in your members area](#) and designed to support you in your current Rise & Release phase.

Find Your Support System in our Community

Our [Rise & Release Community](#) gives you access to an incredible support network of like-minded course creators who are all on the same mission -- to prepare, create, release and monetise their music projects and increase their impact on the world.

GET STARTED

Check out the [Start Here](#) section to learn more about our Facebook group and how to use it.

We add trainings and important posts into the guides section of the Facebook group so you can quickly reference them at any time. Check it [out here](#).

RISE & RELEASE BADGES

[Download and post these badges](#) to share your milestones and wins in our Rise & Release Community.

COMMUNITY CONNECTIONS

Our Rise & Release Facebook Group is the perfect place to connect, collaborate and get support from fellow women in music in varying stages of music creation and releasing. Make sure you are using the group by posting your wins, updates and giving support to the community.
